Subject: For Your Review by COB Sept 12: Revised Draft September OR CZARA Update to NWEA
Attachments: Draft Sept Status Update for NWEA 9-9-14.doc

Hi All,

Attached is the revised version, based on comments from Stephen and Allison. I am requesting input as to whether we want to detailed description of our progress on each topic as a way of providing NWEA assurance that we are making progress or whether to keep it general. See attached.

Regards,
